REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 C.F.R. §1.323

Certificate of Correction Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir/Madam:

The present request for Certificate of Correction under 37 C.F.R. §1.323 is submitted in the above-referenced patent application, now issued as U.S. Patent No. 7,024,230 on April 4, 2006, and is accompanied with payment of the fee for correction of inventorship in a patent as set forth in 37 CFR 1.20(b) in the amount of \$130.00. A petition under 37 CFR 1.183 along with the fee set forth under 37 CFR 1.17(h) have been submitted under separate cover letter to the Office of Petitions. Consideration and a favorable decision to grant the present request under 37 C.F.R. §1.323 are respectfully requested.

Under 37 C.F.R. §1.323, the Director may issue a certificate of correction pursuant to 35 U.S.C. §255 to correct a mistake of a clerical or typographical nature, or

of minor character, which was not the fault of the Office, appears in a patent and a showing has been made that such mistake occurred in good faith, upon payment of the required fee.

In the present patent, the Assignee's name is misspelled as "Kyocera-Wireless Corp." on the face of the Issued Patent. As indicated in the Petition under 37 CFR 1.183, the failure to correct the typographical error of the correct assignee name on the PTOL-85B form was inadvertent. As shown in the attached copy of the Notice of Recordation of Assignment Document, the correct spelling of the Assignee's name is "Kyocera Wireless Corp." Patentee's assignee respectfully requests that the present request for Certificate of Correction under 37 C.F.R. §1.323 be granted.

Respectfully Submitted,

Dated: APR 19, 2006
